

## EYFS & KS1- Fiesta home learning resource

### ZOO GAME

Task 1: Collect all your teddys and toys that you might see if you were walking around a zoo.

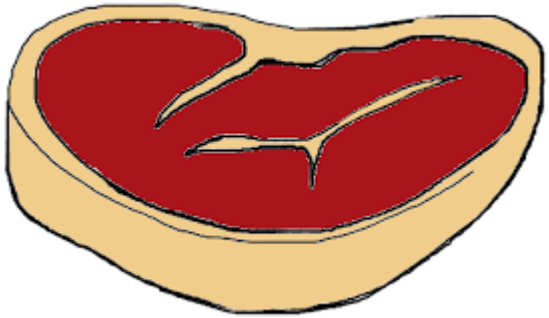

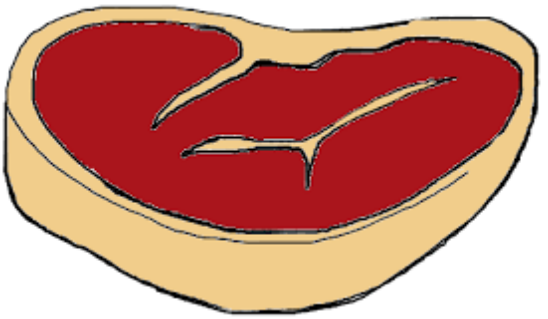

- How many did you find?
- What is your favourite animal?
- What does your favourite animal they look like?
- Can you draw a picture of your favourite animal?
- Where might they live?
- Find out two interesting facts about your favourite animal?

Task 2: Create pens in different rooms/areas of the house and separate the animals into groups of: carnivores, herbivores, and omnivores.

- Give your zoo a name...
- Can you work out which group each animal belongs to?
- Which group has the most animals?
- Which group has the fewest animals?

Task 3: Look around your house, can you see any other items or objects that might be an animal that you would see in a zoo?

## Explanation sheet:

Carnivore	Herbivore	Omnivore
<p data-bbox="107 379 770 496">An animal that only eats meat for example, a Lion.</p> 	<p data-bbox="792 379 1451 560">An animal that only eats plants. For example, an Elephant.</p> 	<p data-bbox="1473 379 2136 560">An animal that eats both meat and plants. For example, a Bear.</p>
